

# Next Steps

# MISIÓN GLOBAL

## Application Process

- Investigate the desired country: The history, current politics, the languages spoken, the geography, the culture, the different religions, requirements for medical attention, requirements for entry (visas), and current missionary activities in the country. (operation world, Joshua project, etc.)
- Submit your application. the application can not be processed until all of the evaluations and has been presented to the board for approval.
- Once approved you will be classified as a missionary candidate.
- Interview with the Candidate

## Training Process

- Attend the Orientation "Enviame" (required)
- Attend the Kairos Course. (required)
- Begin to learn the Language (Highly recommended)
- Short term trip (Possible Required)
- Work in one type of specialized training. ministry specific, technical, or professional (possibly required)

## Preparation Process

- Obtain Passport
- Make a Ministry Budget
- Invest in Missions
- Begin saving for your inicial cost of moving
- Define the type of ministry and construct a team in the sending church, individuals or business that are going to join with you in your vision.
- Develop prayer groups and start a discipleship program where you are that will help prepare you for your future ministry.

Begin receiving funds

## Sending Process

- Approval after completing the above process changes you from “candidate” to “Missionary Intern”
- Approved to begin fundraising
- Sending Church is ready
- Member Care
- Continued training
